

Alliance of Natural Resource Outreach and Service Programs

Membership Application Form for Programs

Membership Criteria and Rates

The primary members of the Alliance are programs that share the alliance mission of promoting awareness and citizen stewardship of natural resources through science-based education and service programs. To be eligible for programmatic membership, programs must meet all of the following criteria: programs must (1) have a natural-resource focus, (2) be community-based, (3) offer a minimum of 20 hours of service-oriented education and training, and (4) may not be a for-profit organization. New membership applications will be reviewed by the Membership Committee and approved by the ANROSP Board of Directors.

The membership period is for one calendar year, from January through December. An introductory membership rate of \$100 will apply to first time programmatic membership in the Alliance. Subsequent renewal/continuing membership rates will be \$150 for programmatic membership. Once your membership is approved, the contacts listed on your membership application will be automatically added to our listserve and receive ANROSP correspondence. Please send a check made payable to “**ANROSP**” addressed to “**ANROSP Membership**” c/o Wanda MacLachlan, ANROSP Membership Chair, University of Maryland Extension, 11975 Homewood Road, Ellicott City, MD, 21042. Please submit this form electronically to wtm@umd.edu

Alliance of Natural Resource Outreach and Service Programs Membership Application Form for Programs

(1) Please describe the mission of your program.

(2) Please provide a general description of your program and how it meets the membership criteria listed. If your program is still in the development phase, please describe projected goals and outcomes for the program.

(3) What agencies, organizations, and other partners are sponsoring or supporting your program?

(4) Please provide an overview of the curriculum for the training component of your program, including topics and objectives, instructors, and length. Attach additional pages if necessary.

(5) Please describe the service component of your program. Attach additional pages if necessary.

Upon completion, save this file and email it as an attachment to wtm@umd.edu
